Kavachh X

BUILT TO SHIELD

X-SERIES | MOLTEN METAL

PROTECTION BUILT FOR EXTREME-HEAT METAL OPERATIONS.

Flame-resistant workwear engineered for foundries, smelters and casting environments.

EN ISO 11612 | EN ISO 11611 | EN 1149-5

CERTIFIED PROTECTION. EVERYDAY COMFORT.

Kavachh X

BUILT TO SHIELD

X-SERIES | MOLTEN METAL

HEAT DOESN'T GIVE SECOND CHANCES.

Workers in foundries, smelters and casting operations may face exposure to:

- Radiant heat
- Molten metal splash
- Sparks & flame
- Hot surfaces

THE RIGHT PROTECTION STARTS BEFORE THE SPLASH.

Kavachh X

BUILT TO SHIELD

X-SERIES | MOLTEN METAL

ENGINEERED FOR THE WORK. DESIGNED FOR THE WEARER.

X-Series garments balance protection, durability and day-long wearability.

FR COVERALL

JACKET & TROUSER
